

WINTER DANCE COMPANY GOES “PINK”

WINTER DANCE COMPANY is a proud supporter of Breast Cancer Awareness. The name of our campaign is *DANCE-PINK*. This campaign encourages students, parents and special friends, to make donations of \$1 or more and to wear pink during the month of October in support of Breast Cancer Awareness. All designated donations and a portion of sales from dancewear and tuition will benefit the local organization, *Advocate for Christ Against Cancer Foundation*.

Reatha Robinson - a breast cancer survivor and the Executive Director of this program, has a personal mission to oversee the financial care of women who are going through breast cancer. Her objective is to assist patients and their families in handling day-to-day tasks of living while also dealing with the stress and logistics of cancer care.

In addition to monetary donations, this campaign will also accept donations of toiletry items, non-perishable food items and household products. All donations will be acknowledged and posted on pink ribbons in the studio. Any donations will be greatly appreciated

According to the American Cancer Society, breast cancer accounts for nearly 1 in 3 cancer cases diagnosed in women. Your donation will put us one step closer to stamping out Breast Cancer once and for all.
